

Tasteful Partnership

Discover the easy way to balanced and delicious meals with Stadtküche - your organic food brand from Austria! For us, organic not only stands for quality but also for enjoyment and variety.

In our mission to enrich the daily lives of Austrians with taste, we rely on contemporary food made from 100% organic ingredients. Stadtküche is a manufacturer of good taste, where we daily conjure up fresh Teigtascherl, filled Gnocchi, Patties & Falafel - Organic enjoyment in a flash for your quick, simple, and healthy meal!

What sets us apart? State-of-the-art kitchen equipment and advanced processing techniques meet artisanal skill to create unforgettable flavor. Our ecological production and short transportation routes make our products not only sustainable but also future-proof.

Our motivation and passion are simple: Good and honest food for you! Stadtküche creates a direct connection between regional agriculture and people who appreciate genuine food craftsmanship. A gentle approach to resources, appreciation for the people behind the raw materials, and fair prices for our partners and customers are paramount.

Discover Stadtküche - where organic is not just a label but a promise of pure enjoyment!
